# *Welcome to Your Other Home: A Letter from the Principal*

Dear Student, Parent(s) and Guardian(s):

Welcome to Arcadia High School; welcome to the family; we are glad you are here.

There are seven guiding principles that summarize the contents of this handbook and govern our high school learning community. The first four are taken directly from a book called *Fish*: they are the four “dos.” The final three are from the writing of Patrick Lencioni: they are the three “don’ts.” The synthesis of these two texts will, beyond measure, successfully guide you through your four years of high school and advance you into your brightest self and brightest future.

1. **Do Choose Your Attitude:** Put on an attitude that helps you be the person you want to be? Several times a day, ask yourself, “Is my attitude helping me be my better self?”
2. **Do Be Here:** Become fully engaged in every class and activity. Take a deep breath and be present in your learning. (Cell phones can quickly take us out of the gift of the moment.)
3. **Do Play:** This is not a specific game or activity; it is a growth mindset that sees all as an opportunity for creative challenges and new learning. (See page 5 for “Growth Mindset” Information.)
4. **Do Make Their Day:** Find ways to serve and bring joy to others in a respectful and meaningful way—find someone who needs a helping hand, a word of support, or a listening ear. Say “Thank You” to a cook, a teacher, a peer, anyone.
5. **Don’t Be Anonymous:** People cannot be fulfilled in their lives and school work if they are not known. Discover and share your unique qualities with the AHS community.
6. **Don’t Claim School is Irrelevant:** What you do and learn here matters—we promise. Reading, writing, arithmetic, club, and athletic activities matter and immediately open more meaningful doors.
7. **Don’t Ignore Your Progress:** Success and happiness are directly related to an individual’s ability to measure and improve his or her progress. Check your grades on Infinite Campus often. Set weekly percentage goals for each class. Count the number of times you are in your desk before the bell rings. Map your progress. Watch the improvement. Experience the happiness.

Clearly and simply stated, the staff and I invite you to make the Arcadia High School community more dynamic and positive because of you. The more you follow these seven guiding principles, the more meaning, success, and transformation you will experience. Make these seven principles a significant part of your life, and watch out world, here you come!

On a personal note, know that I am here for you. My door is open for your individual needs or creative suggestions on how to improve our learning community.

Gratitude,

Alan Herman,  
High School Principal

## **School Nondiscrimination Policy**

The Arcadia School District is committed to equal opportunity for all students in the district.

It is the policy of the Arcadia School District, pursuant to S.118.13, WI. statute, and PI 9, that no person, on the basis of sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional, or learning disability, may be denied admission to any school in this district or be denied participation in, be denied the benefits of, or be discriminated against in any curricular, extracurricular, pupil services, recreational, or other program.

This policy also prohibits discrimination under related federal statutes, including Title VI of the Civil Rights Act of 1964 (race and national origin), Title IX of the Education Amendments of 1972 (sex), and Section 504 of the Rehabilitation Act of 1973 (handicap).

It shall be the responsibility of the District Administrator to examine existing policies and develop new policies where needed to ensure that the Arcadia School District does not discriminate pursuant to federal and state law. The District Administrator shall ensure that an employee is designated annually to receive complaints filed under S.118.13, WI. statutes, PI 9, WI. Admin. Code, Title IX, and Section 504. The employee shall assure adoption of a complaint procedure to resolve complaints alleging violation of these laws, assure that an evaluation of the district's compliance with S.118.13, WI. statutes are completed every five years under PI 9, WI. Admin. Code and submit form PI-1197 to the DPI annually.

## **Arcadia School Song:**

Arcadia High!  
Arcadia High!  
That's the school we're standing by,  
and we'll boost you, we'll boost you along.  
In the field, in the gym,  
we will work for a Win-Win,  
and we'll boost you, we'll boost you along.  
For it's high, high, high  
Arcadia High for me  
Shout out your colors loud and strong - RED, BLACK  
for wherever you go, you will always know  
that Arcadia is winning the game; keep them winning  
that Arcadia is winning the game.  
U-RAH-RAH ARCADIA HIGH SCHOOL  
U-RAH-RAH ARCADIA HIGH SCHOOL  
U-RAH-RAH ARCADIA HIGH SCHOOL  
YEAH!

**The Power of Attitude (A Message for the Bathroom Mirror):**

The longer I live, the more I realize the impact of attitude on life. Attitude, to me, is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than success, than what other people think or say or do. It is more important than appearance, giftedness, or skill. It will make or break a company, a church, a home. The remarkable thing is we have a choice every day regarding the attitude we will embrace for that day. We cannot change our past, we cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play on the one string we have, and this is our attitudes. I am convinced that life is 10% what happens to me and 90% how I react to it. And so it is with you. We are in charge of our **ATTITUDE**.

--Charles Swindoll

## Academic Honesty

Arcadia High School students are expected to attend school ready to learn. It is also expected that student behavior will reflect the ability to discern right from wrong. The well being of the school community depends on each student accepting responsibility for personal conduct in both social and academic endeavors.

Academic honesty requires that students take responsibility for producing work that is reflective of the student's best effort. Academic dishonesty is evidenced by cheating or plagiarism and involves any attempt by a student to show possession of knowledge and skills he/she does not possess. For purposes of this policy the following definitions are in effect:

### **Cheating is:**

- Using dishonest, deceptive, or fraudulent means to obtain credit for academic work
- Using notes, aides, or the help of another student on tests in ways other than those expressly permitted by the teacher
- Looking at another student's tests or answers
- Talking to another student during a test or quiz
- Copying or allowing another student to copy from one's own test and other course work
- Tampering with an instructor's record of student grades/scores

- Unauthorized accessing, deleting, modifying, transferring or using any analog, or digital files/software/programs locally or by remote access.

#### **Plagiarism is:**

- Taking the specific substance of another person’s work and creating or offering it as one’s own work without giving credit to that source
- Not using quotation marks, indentation, and/or footnotes to denote material that has been directly quoted from another source
- Paraphrasing an author without giving credit

#### **Consequences**

A teacher may choose to handle the academic dishonesty infraction or refer it in written form to the building principal. If referred, the consequences can be anything from a failing grade for the assignment and a conference with the parents to an “F” for the grading period and removal from class.

## **Attendance**

#### **Policy**

Students are required to attend each scheduled class period. A school board may not grant a high school diploma to any pupil unless, during the high school grades, the pupil has been enrolled in a class or has participated in an activity approved by the school board during each class period of each school day.

Students need to be in attendance in all classes every day unless they have an excusable reason. Regular attendance is vital in maintaining a good scholastic record as statistics have proven that there is a high correlation between attendance and grades.

School attendance is a responsibility that is shared by student, parent, and school. All absences must have parental support to be counted as excused absences. Any student who is failing a class and who has accumulated more than ten absences in a daily semester class, excluding medical (doctor’s excuse), or school-sponsored, may be removed from the class and placed in a study hall. The student record will indicate that he/she has failed the class. Appeal process: Within two (2) school days of removal, appeal may be made to the principal. The appeal panel shall be three (3) people - administrator, teacher, and counselor. (See Policy 118.15 Compulsory School Attendance and 118.16 Truancy and Habitual Truancy Penalty)

#### **School Attendance Procedures**

Regular and punctual attendance is essential to school success. Frequent absenteeism is one of the main causes of discouragement and failure in high school. Work once missed can never be made up in a completely satisfactory manner. Regular school attendance is an important part of the high school record you are establishing. Although the school desires every student to be regular in her/his attendance, it recognizes that a situation may arise which makes absence from school unavoidable. Parents are encouraged to consider your child’s academic status prior to scheduling personal appointments and activities.

To notify the school of absence: (Policy 5230)

- Parent or guardians please call the school before 9:00 a.m. on the attendance voice mail or a secretary will answer. **Our voice mail is on 24 hours a day, every day.** The phone number is 323-3315.
- The parent or guardian should provide the school administration with a signed note the following day, explaining the reason for the absence if they did not call previously. This note should be in the Principal’s office prior to the return of the student to her/his classes. **All students must report to the high school office prior to going to their next class if they were absent for any part of a day.**

- It is to be understood that if a student is absent from school, he/she shall not attend or participate in after school activities.

**The following are unexcused absences:**

1. Failure to be in an assigned class or study hall without administration/teacher permission. Missing more than fifteen minutes of class will be considered an absence. Students are to report to school by 8:00. If a student arrives after 8:15 without an acceptable excuse, it will be considered an unexcused class period.
2. Leaving the school building during the school day - students are not permitted to leave the school grounds at any time without a permit from the school office. If you must leave the building because of illness or any other emergency, you must sign out at the office. Failure to follow the proper procedure will be considered an unexcused absence
3. Oversleeping is listed as “Non-Excused” on a student’s record.

**Consequences for unexcused class periods and unexcused tardies:**

- 45 minutes of detention are assigned for each unexcused class period
- 15 minutes of detention are assigned for each unexcused tardy

**The following are excused absences:**

1. Pupil illness
2. Death in the family
3. Court appearances
4. Family emergencies
5. Designated religious holidays
6. Medical/dental appointments - the physical health of students is important to school attendance. Medical excuses issued by a doctor are honored without exception. The student and parent are responsible for renewing any temporary or long-term excuse issued by a doctor.
7. Prearranged absences

You are expected to pre-arrange any absence that you know about in advance (i.e., medical, dental, driver education, field trips, athletic events, etc.) and make up any required work. Students who know in advance that they will be absent from school for part of a day or days should stop in the office, or have a parent call the office secretary to notify the school. Examples of days to notify the office prior to the occurrence:

1. A college campus visit for a senior (one day is allowed per year, prior to May 1)
2. Job interview
3. State Meet attendance - participants and non-participants
4. Weddings, graduations, confirmations, and trips with parents
5. Court ordered and pre-arranged social service appointments

**General Attendance Information:**

It will be at the discretion of the school administration to weigh other reasons for absence in accordance with Wisconsin State Law on School Attendance as to whether the absence is excusable or unexcusable. Parents/Teachers will be notified of unexcusable absenteeism.

A letter will be sent to parents/guardians of any student who has 10 or more absences to develop strategies to improve student attendance. See Truancy.

Individual groups and organizations will establish criteria for students to be excused for school-sponsored activities. (Students should use discretion on missing school for these activities).

If a student becomes ill in school, she/he should report to the office; the administrator or the designee will decide what should be done. Students must not leave the building because of illness without authorization.

**Assignments and Homework for Excused Absence**

1. All missed assignments/tests may be made up and graded as per usual.
2. A student will be given two days for each day absent to complete missed work.
3. A failure will be recorded for any work that surpasses the time limitations.
4. A letter will be sent to the student guardian after 10 absences in a semester.

**Assignments and Homework for Unexcused Absence**

1. All missed tests may be made up.
2. Fifteen minutes or more absence from class that is unexcused will result in a 45-minute detention being assigned.

**Truancy**

After 10 days of unexcused absences per semester, the office will:

1. Check attendance daily and determine which are unexcused.
2. Notify parents/guardians by phone, personal contact, or by mail.
3. Meet with the parents/guardians.
4. Provide educational counseling.
5. Provide evaluation for learning problems.
6. Provide evaluation for social problems.
7. File a Trempealeau County/Buffalo County Truancy Referral report.

	<u>1st Offense</u>	<u>2<sup>nd</sup> Offense</u>	<u>3<sup>rd</sup> Offense</u>
Tardy	Teacher warning	Office detention	Office detention
Truant	Office detention for each period missed.	Office detention for each period missed.	ISS

**Backpacks**

- Backpacks may be used throughout the school day to carry school materials or student-owned computing devices
- Backpacks will be required to be placed in the hallway area when a drug search is administered.
- Per fire code compliance, backpacks must be placed in a student’s locker or remain with the student during transition periods, breakfast, and lunch.
- During class time:
  - Backpacks must not obstruct pathways/aisles.
  - Backpacks must be kept by the student’s desk/work area.
  - Backpacks cannot be left in the halls.
  - During a student’s gym time, backpacks must be locked in hall locker or gym locker. Backpacks not locked in a locker may be removed and brought to the office.
- This policy can be revisited as needs and issues arise.

## **Cell Phones**

Cell phones are not to be used in locker rooms and any areas where students may be changing. (Policy 5518)

Cell phones are not to be used during regular class time without instructor permission. Phones can be checked between passing time, during breakfast break, and during lunch.

Consequences: If a student refuses to hand over a cell phone that he or she is using without permission in an area not designated for phone use during school hours, one day of ISS will be issued to the student. If the student violates the rule, but hands over the phone, the student may pick up the phone in the office at the end of the day. The second and any further violations will result in a parent having to come to school to pick up the phone.

Instructors have the option of requesting that students place cell phones in a secure area designated by the instructor during class time. Students can then pick up the phone at the end of the class period. (Also refer to Policy 5500.)

## **Hall Passes**

To be in the hallways during class time, students must have a pass. If the student needs to leave his/her classroom, they need to ask the teacher to sign a pass. The teacher who the student wants to see or area in which the student wishes to study must sign a pass prior to the time it is needed. Students excused from class are required to carry their pass during class hours. Misuse of passes will result in loss of pass privileges.

## **Dress Code**

Students are expected to dress appropriately for school and school-related activities. The limits that are imposed relate to health, safety, cleanliness, distraction, or indecency. Students have the responsibility for wearing safety or special purpose equipment whenever it is required. Shoes must be worn in and around the school at all times. Coats, and headgear, including hats and hoods are not to be worn by males or females in the school from 8:00 a.m. to 3:20 p.m. Clothing or gear depicting alcohol or other drugs, promoting their use, or clothing or gear with suggestive messages is not to be worn. Such items may be confiscated.

Students will be neat, clean, and modest in their dress. Short shorts (must be at least knuckle-length), short skirts/dresses (must be at least mid-thigh length), halter-tops, spaghetti strap tops, off the shoulder, etc. and other revealing clothing is not appropriate school dress. Shirts and tops must extend beyond the beltline, must cover the midriff, and must have shoulder covering of at least a three-finger width—no razorback tank-tops; no visible undergarments.

Consequences-Change into appropriate school clothing, cover with appropriate clothing, or turn inappropriate clothing inside out. If students do not comply with the above changes they will be asked to go home and change into appropriate school clothing. The second documented school dress offense will result in a detention.

## **Lunch and Lunch Account Information**

The lunch accounts are on a computerized system and you will have a number that must be used whenever you purchase lunch or milk. You pre-pay an amount and the computer will adjust your account balance. Money can be deposited into your family lunch account in the high school office. Students are to eat their meals in the commons. Students are not permitted to drink beverages or eat lunch in the hallways. Students may keep lunch or a snack for an after school trip. However, partially eaten or consumed items, if found in lockers or hallway, will be discarded by school staff. No open containers are allowed in lockers.

## **Property Care**

Desks, lockers, books, and equipment loaned to students remain school property while in possession of the student. Such property is provided for the convenience of the student and shall be used only for authorized purposes. They may be opened and inspected by authorized school administrators or their designees at any time. (Policy 5771)

Students will be expected to reimburse the school district for damage to school property, or for the loss or theft of such property.

Locks for Phy Ed lockers will be provided to students upon request. Only school locks will be permitted on student locker doors. A \$5.00 deposit is required to obtain a school lock for a PE locker. The deposit will be reimbursed to the student when the lock is returned to the office.

Students are responsible for reporting damage and/or theft of personal property to school officials and police department. Students have the responsibility to secure belongings to avoid theft.

The district furnishes all textbooks. Students are to exercise care in using them and may be charged for lost or damaged books. Textbook covers are recommended.

The subject teacher will distribute all textbooks during the first week of school. The teacher and the department head will keep a record of the assignment of each textbook. The student must return the same textbook at the end of the year or pay for the replacement of the book, which ranges from \$10.00-\$150.00. It is important that the student write her/his name in every book received. Any student changing a subject after books have been issued must return the books already received for the subject being dropped.

Please make it a practice to keep your items locked at all times while at school. Lost or stolen personal items are not the responsibility of the school.

## **Sportsmanship**

The teams and visitors from other schools are our guests; we have invited them into our school. We may win or lose a game, but we should never lose our self-respect and the respect for others' rights—such an approach personifies a win-win mentality. Good sportsmanship means:

1. We will always practice courtesy to our guests.
2. We will respect the officials of all contests.
3. We will never cheer against anyone, -ridicule and personal challenges are out of line.
4. We will be able to say “you beat me” not “we lost to you”.
5. Students and adults may be asked to leave an athletic contest by game and meet managers if they display poor sportsmanship.

# Academics

## Academic Excellence

Academic excellence is a goal that each student should strive for while attending school. Those students who meet the following criteria will be recognized at an annual Academic Awards program each spring. Certificates will be awarded on an annual basis for the following GPA:

- Silver - GPA 3.67 for the first three quarters of the present school year.
- Bronze - GPA 3.33 for the first three quarters of the present school year.

## Cum Laude System (Class of 2020 forward)

The Cum Laude System will be used to recognize student achievement beginning with the class of 2020. The system is a point based system that combines laude points with a student's GPA. Students earn laude points for taking AP courses, PLTW courses, courses that earn college credit, and designated honors courses.

## **Library Media Center (LMC)**

The Library Media Center (LMC) has books, magazines, newspapers, a vertical file, and electronic databases and media for assigned study and recreational reading. It is open for use during the entire school day except when classes are scheduled for research or instruction.

### **Checking Out LMC Materials**

All materials are district property and must be checked out through the circulation desk before they are taken from the LMC. Items may not be taken outside of the LMC unless they are checked out through the circulation desk. You are welcome to use all of the materials in the LMC. Consequently, you have no reason to steal them without checking them out.

### **Overdue Fines**

Fines are charged for overdue materials. It is best to renew your materials before they become overdue, in order to avoid fines. Reference and Career materials may be checked out overnight with permission from an LMC Staff member; you will be charged a \$1.00 fine daily, if these materials become overdue. Vertical file materials may be checked out for a two-week time period. A 5-cent a day fine results from those overdue. Regular collection materials may be checked out for three weeks and a 5-cent a day fine is charged for those overdue. Fine notices are sent to students periodically and fines must be paid at the LMC circulation desk. If you lose LMC materials checked out to you, you will be required to pay for the replacement cost of these items.

## **Environment**

One should not regard the LMC as a social meeting place to chat with friends. Quiet, academic behavior is expected from you in the LMC. If you are in the LMC for a study hall, any homework that can be done should be done there.

Disciplinary measures will be taken with students who abuse LMC rules. Your removal from the LMC is at the discretion of the Library Staff.

## **Study Halls and Study Hall Expectations**

1. Simply put, study hall is an opportunity to study. Most study halls will be in the LMC.
2. Talking is to be kept at the lowest levels—any talking should not interfere with someone reading a book or completing homework. A rule of thumb: Is my talking a distraction for someone reading?
3. Activities must not be distracting to others.
4. Tardy policy will be followed.
5. Practice effective time management; use study hall time for completing coursework/studying/reading.
6. Students sign-out of study hall when they have a written pass from a teacher. Students must return to the study hall if the area they signed out to is unsupervised. Misuse of passes will result in a loss of sign-out privileges.
7. Chrome books are to be checked out via student ID and checked back in by hour's end.
8. Unauthorized students are not permitted behind the checkout desk.
9. Card playing and group games are not allowed during study hall as they easily distract students who are working on coursework and reading.
10. Your name is being called by 2% of those books on the library shelves. Find them. Accept the challenge. Embrace the relationship. Return the books in the proper shelf location.

## **Study Hall Privileges**

Students who maintain their grades at a level above 68% in all of their scheduled classes are allowed the following study hall privileges:

- Access to library media center (LMC) resources.
- Music listening with individual device and earbuds.
  - Students who abuse this privilege will no longer be able to use their phone/MP3 player for the remainder of the semester. Any device taken by the instructor can be picked up in the office at the day's end. See "Cell Phone" policy for repeat offences.

## **Resource Room**

1. Teachers can request immediate student assignment to the resource room.
2. If a student has been on the 68% or lower list for three consecutive weeks in any one subject, the student will be removed from regular study hall and assigned to the resource room.
3. A student may earn the right to report back to regular study hall by bringing his/her grade above 68%. The student will be reassigned on the Monday following this accomplishment.
4. Any student who has been reassigned from the resource room to regular study hall must maintain 68% or higher grade levels. If they fail to do so in the same subject area(s) that were previously in danger of failure, they will immediately be reassigned to the resource room.
5. Students who cause disruptions to other students during their Resource Room period will be referred to the Principal.
6. Students who refuse to do their assigned work during their Resource Room period will be referred to the Principal.

## **Valedictorian and Class Rank (Class of 2019)**

For the current juniors, and seniors, the class valedictorian is the student with the highest GPA. The class salutatorian is the student with the second highest GPA. Those averages will be based on the computer scale for grading, which is:

A or A+=4.00	A-=3.67	B+=3.33	B=3.00	B-=2.67	C+=2.33
C=2.00	C-=1.67	D+=1.33	D=1.00	D-=. 67	F=. 00

A 4.0 grading scale will be used to determine GPA. The following school-wide grading scale values will be used to determine grade point averages from the grades entered into the office:

99and >=A+	95-98=A	92-94=A-	89-91=B+
85-88=B	82-84=B-	79-81=C+	75-78=C
72-74=C-	70-71=D+	67-69=D	65-66=D-
<65=F			

# *School Counseling*

## *Academic Assistance*

If you need to see the School Counselor, School Psychologist, or Speech Therapist, make an appointment in the counselor's office.

Every day from 7:45-7:55 a.m. and/or 3:20 3:45 p.m. teachers are available to students for tutorial assistance. Students, please schedule these times with your individual teacher. Teachers, administrators, or parents may insist on the student scheduling tutorial assistance. These tutorials are meant to help students maintain a constant and acceptable level of achievement.

## *Academic Scheduling*

Student schedules can be picked up in the Guidance office.

During January or February, students will register for the following year. A course handbook will be available online outlining available courses, programming directions, and planning sheets. Confer with your individual teachers, guidance counselor, and parents in making your course selections. Limited changes can be made by the end of the second week. A student may, for a good reason, request a change in her/his schedule. Schedule changes require parent/teacher/guidance counselor and principal authorization and signature.

# *School Climate – Expectations & Procedures*

- Students are expected to act in a positive manner. Students have the right to attend school without the fear of physical threat, harm, or verbal abuse.
- Conduct and behavior toward any school personnel will be appropriate at all times. Students have the responsibility to refrain from conduct that does not respect the rights, dignity, and safety of all individuals. Behavior that disrupts the learning process will not be permitted.

Any dress, appearance, or behavior, which causes a disruption of the educational process or presents health or safety concerns for the individual or others rights, will not be permitted. (See appropriate behavior for consequences.) Immediate disciplinary measures will be taken.

## **Bullying And Harassment**

Bullying and other forms of aggressive behavior will be handled according to school policy. (Please refer to Arcadia School District Policy 5517.) If the investigation finds an instance of aggressive behavior has occurred, it will result in prompt and appropriate remedial and/or disciplinary action. This may include up to expulsion for students, up to discharge for employees, exclusion for parents, guests, volunteers, and contractors, and removal from any official position and/ or a request to resign for Board members. Using offensive, obscene, or abusive language, using language which is disrespectful or threatening to others, making obscene gestures to others or engaging in inappropriately boisterous and noisy conduct or fighting will result in disciplinary action. Any behaviors disruptive to the educational process can be considered disorderly conduct and referred to the police for citations. Any major classroom disruptions or repeated disruptions may result in removal from class. Disrespect to staff members will be a minimum of one day ISS or OSS, also possible referral for disorderly conduct

## **Detention:**

Detention results in a student being required to stay after school for inappropriate behavior or rule infraction. Detention may be assigned by and served with individual teachers or through the office. Office detention will be scheduled on Tuesdays, Wednesdays, and Thursdays from 3:20 – 4:05 p.m. The first missed detention will result in a detention being added to the missed detention. Failure to serve assigned office detention for the second time will result in the student being assigned to in school suspension.

Rules:

- Detention will be scheduled after school
  - Time: 3:25-4:10 p.m. (unless otherwise stated by the principal)
  - Location: High School Office
  - Length: 45 minutes unless otherwise stated by principal

## **Expulsion:**

Expulsion is used when a student must be removed from school premises and school programs for a time greater than a suspension will allow and results in a student being removed for a time determined by the school board.

Documentation of inappropriate behavior will become part of the student's school record and as such may be used in legal proceedings.

## **In School Suspension (ISS):**

ISS Results in a student being removed from the regular school setting and placed in an isolated supervised area for quiet study. Students who are under suspension by administration are not permitted to participate or attend any school-sponsored activities either at school or away from school during the period of suspension. Students will turn in all work by the end of the day that is assigned for ISS. Students may choose detentions or ISS for attendance violations only. If a student misses a scheduled ISS, they will serve it the next day they return to school. If a student does not attempt or complete assigned work in ISS they will be required to stay until 4:00 that day for an additional detention.

## **Insubordination: Refusal To Obey School Rules**

Repeated refusal to obey school rules may result in loss of participating in co-curricular activities. This may include field trips or activities off school grounds. A behavior contract, which includes parental, student, staff, and administrative input, may also go into effect for repeated refusal to obey school rules. Immediate suspension and possible law enforcement referral may be the consequences for certain insubordination situations.

## **Out of School Suspension (OSS):**

OSS Results in a student being removed from the school premises. Students who are under suspension by administration are not permitted to participate or attend any school-sponsored activities either at school or away from school during the period of suspension.

## **Theft/Vandalism**

Students who vandalize or willfully damage school property or personal property at school are subject to disciplinary action, as well as restitution for damage.

All offences: Pay/fix/return, parent contact and referral to law enforcement possible. Further disciplinary action may include OSS, ISS, detention, or possible expulsion.

## **Tobacco/Alcohol/Drug**

Smoking, possession, or use of tobacco or look alike tobacco products is prohibited on school premises at any time or for any function in which the student body participates, including extracurricular bus transportation. Parents and law enforcement officials will be called if there is probable cause to search or if student is using or appears under the influence of tobacco/alcohol/drugs or look alike products. On occasion the school may have a random canine search or locker or parking lot searches to reduce the probability that students would bring illegal drugs to school and keep in their lockers or vehicles.

The use, possession, sale, or furnishing of alcohol, non-prescribed drugs, chemicals, or illegal substances or look alike products anywhere on school premises by a student at any time is prohibited. No student may appear at any school-sponsored function under the influence or possession of alcohol, non-prescribed drugs, chemicals, or illegal substances or look alike products. Students may be subjected to an alcohol test prior to admittance to school dances.

Refusal to take a police administered breath test will be treated the same way as the implied consent law.

Consequences for tobacco, alcohol, or drug possession or use in school will result in suspension, referral to law enforcement, and possible expulsion.

## **Violence (Language/Physical Force)**

Students are not to use physical force or threatening language toward any person in school.

By School Board Policy 5772, no one shall possess a dangerous weapon on school property (before, during, or after school), on school buses, in school vehicles, or at school-sponsored activities. A dangerous or look-alike weapon is defined as any object by the manner in which it is used or intended to be used, or by its appearance as dangerous weapon, is capable of inflicting bodily harm, and/or of being used to threaten, frighten, or intimidate. In no case may ammunition or explosives in any form (i.e. firecrackers) be brought to school, on school buses, or to school-sponsored activities.

According to State Law, any person who knowingly possesses or goes armed with a dangerous weapon on school premises is guilty of a misdemeanor, or a felony, depending upon seriousness of the offense. All persons violating these policies shall be subject to penalties outlined in state law and suspended and/or expelled from school. Parents/guardians and law enforcement officials will be notified immediately in all cases. The school will provide or ensure that evaluation and counseling are available to students involved. Confiscated weapons must be turned over immediately and given to the proper authorities. NO employee shall be expected to act in a situation in which she/he feels threatened.

## *Extra Curricular*

AHS extracurricular programs enrich the curriculum of the school by making available a wide variety of activities in which a student can participate. Each student also has the opportunity to join the many clubs open every year.

Participants in athletics, clubs, and activities must adhere to high academic and behavioral standards as are set by the Athletic Code and through the by-laws of each group. These standards will encourage individual responsibility and teamwork that will have a life-long impact.

Note: If a student receives a co-curricular code violation, they will not be eligible for homecoming or prom court.

All students are encouraged to participate in extracurricular activities which will enhance their high school experience.

Each participant in any co-curricular activity must have an accident insurance policy, physical card or alternate year card, parental permission, and a signed Co-curricular Code prior to participation. You must also be passing a minimum of six subjects to be eligible to participate. For complete eligibility requirements see AHS Co-curricular Code. Social networking messages, pictures, postings, etc. can be used as evidence to start a Co-Curricular Code violation investigation. ## **Student Council**

Student government takes an active role at AHS. Its purpose is not to govern the students, but to serve as a meeting place between the student body and the administration, where the students can assume as much of the responsibility of organizing their high school activities as they are able to handle. It is a place where problems or questions arising from either the students or the administration can be presented for discussion and consideration. Representatives are elected in school wide balloting.

## **Dances**

Dances are for the enjoyment of Arcadia students. Classes or other school organizations will sponsor special dances. Dances will end no later than 12:00 a.m. Other dance times will be announced. Introduction and approval of one's guest to the chaperone or advisor is required. The host will be responsible for the guest's behavior. Students will not be allowed to re-enter school dances after they have once left the building. Homecoming and Prom are two traditional dances that can be enjoyed by all students.

## **Elector Registration Information**

All students are reminded to register to vote when they become of age. Information is available in the social studies department and counselor's office.

## **Insurance**

The school district is no longer providing student accident insurance. Parents wishing to purchase additional coverage may pick up an application from the high school office. Athletes will be required to be covered by a group insurance policy and should plan accordingly. If you have your own insurance, you simply need to bring the insurance card or copy of the policy to the office and sign the insurance waiver form.

## **Lost And Found**

A lost and found service is located in the high school office. Students are requested to turn in any item found and are encouraged to check the lost and found for any lost articles.

## **Medication**

All prescription and non-prescription medication must be stored in the Nurse's Office. Dispensing of prescription medication by school personnel requires completion of a medication form, which is available in the office. This form requires both a doctor and a parent signature. Dispensing of non-prescription medication requires a signed parent permission form.

## **Photographs or Videotapes of Students—Use Of...**

Throughout the school year, students will have their pictures taken or be videotaped during activities at school. These pictures will periodically be placed on our school website. We will not place student names, pictures, or samples of student work or biographical information on a website if the student's parent or guardian does not approve it. The Arcadia School District will need a written notice of parental or guardian disapproval if the school cannot use a child's picture to be posted on the Arcadia School District website.

## **Records And Release**

A permanent copy of courses taken, grades earned, attendance, and other basic information is maintained. No one is allowed use of these records without the permission described in the "School Records Release Information" section. While you are in school, your records are available to the professional staff of the district. If the place of residence of a student changes during the course of the year, you should report this to the office and give your new address, phone number, and the effective date of such change. If you move out of the school district, it will necessitate your withdrawal from school and a transfer of your credits.

When transferring to another high school or progressing on to post-secondary school or college, a copy of your high school records will be needed by the new school or post-secondary school. Prior to releasing the records, all bills and fines must be paid. We cannot forward such copies without permission. Release forms are available in the high school office. If you are under 18, one of your parents/guardians must make this written request - signing and dating it; after you are 18, you have the right. Any student who is withdrawing from school or transferring to another school is requested to follow this procedure:

1. Secure a withdrawal/transfer form from the office.
2. Report to all your teachers, LMC director, and guidance counselor for clearance.
3. Return the completed form to the office.

### **Disclaimer**

All content created, sent, accessed or downloaded using any part of the district's technology is subject to the rules stated in this agreement. School administration may monitor and investigate electronic incidents even if they happen after hours and outside of school. As the administrators and owner's of the district technology, including

email, the school administration reserves the right, if needed, and at its discretion, to remotely access, open, examine and/or delete electronic media that may violate this agreement.

The School District of Arcadia does not have control of the information on the Internet or incoming email. This agreement exists in concert with all other existing building and district rules, guidelines, policies and procedures. Specific items not covered here may be addressed by other building or district rules, guidelines, policies or procedures at the discretion of the building principal/designees.

### **Work Permits**

Work permits are required for the lawful employment of minors under 15 years of age. Work permits may be obtained in the high school office. Students seeking a work permit should submit the following:

1. Letter, signed by the employer, stating the job duties, hours of work, and time of day the minor will be working
2. Proof of age: birth record, baptismal record, or valid Wisconsin drivers license
3. Consent of parent/guardian stated in writing

5. Fee of \$7.50

A student will not be issued a work permit if the student has any failing grades for the last grading period. A student must remember that her/his first responsibility is to school. Students contemplating employment should contact the office to determine the hours and the age at which they can lawfully be employed at a particular type of work, as some industries offering employment opportunities to minors are subject to Federal regulations as well as those of our state.

# *School Operations*

## *Complaints or Concerns Procedures*

If a student or parent has a concern about a school policy or an employee, the following procedure should be followed in order to resolve the problem as quickly and respectfully as possible:

1. Contact the person who you have a complaint about to discuss both sides of the story.
2. If the problem still exists, contact the principal.
3. If still unresolved, contact the superintendent.
4. Finally, if unresolved, ask the superintendent to place the complaint on the following month's Board of Education agenda for further discussion.

## *Closed Campus*

Students are encouraged to schedule all appointments at a time other than during school hours. However, when the situation demands, the appointment should be made as early or late in the school day as possible. To obtain a pass for such a reason, bring a written note signed by your parent or guardian requesting permission to leave and stating the reason for leaving. You must sign out in the office before leaving. If you return the same day, you must sign back in at the office and get a pass back to class.

Students are never to leave school without first obtaining permission from the office and signing out, no matter what the reason. Students who fail to follow this policy will be subject to disciplinary action. Leaving the commons area without permission during your scheduled lunch will result in automatic ISS. This includes unsupervised hallways or the parking lots. Open lunch rules for seniors will be disseminated at the end of third quarter. We also have open gym during lunch hours when available. Those rules are posted in the commons area.

## *Due Process Procedure*

The parent of a suspended (out of school) minor must be given prompt notice of the suspension and the reason for the suspension. The suspended student or the student's parent or guardian may, within five (5) school days following the commencement of the suspension, have a conference with the Superintendent of Schools, who shall be someone other than a principal, administrator, or teacher in the suspended student's school, to discuss removing from the student's records reference to the suspension. Reference to the suspension on the student's school record shall be removed if the Superintendent of Schools finds that:

1. The investigation/disciplinary procedures were not conducted in conformity with prescribed procedures.
2. The information relied on as part of the investigation/disciplinary procedures was not "sufficient" to justify the decision of the principal.
3. Information, which was not withheld by the student and which could have substantially affected the outcome of the investigation/disciplinary procedures, has since been discovered.
4. The sanction was disproportionate for the violation.

A suspended student shall not be denied the opportunity to take any quarterly, semester, or grading period examinations or to complete course work missed during the suspension period.

Status during appeal: The sanction that was rendered by the Principal (or designee) is in effect during the period of appeal.

## **Fees**

Student fees will be paid during registration day or directly to the office. All fees should be paid before the end of September. All high school students are required to pay a general fee. Students taking certain courses pay additional user fees. We have eliminated the class fundraisers and have replaced them with an activity fee.

## **School Closing and Emergency Information**

In the event of severely inclement weather or mechanical breakdown, school may be closed or starting time delayed - the same conditions may also necessitate early dismissal. The following radio and TV stations will announce a closing, a delayed start, or an early dismissal:

Z-93, KAGE, KWNO, WAXX, WHTL, WKTY, WKBT-TV, and WEAU-TV

Reports in the morning will be between 6:00-8:00 a.m. We have an automated calling system that will notify each family of a school emergency or closing. **For this reason, please make sure you have an updated phone number on file with the office secretary.**

If no report has been heard, it can be assumed that school will be in session. Please do not call the school; telephone lines must be kept open for emergencies. When school is closed, extracurricular programs may be canceled. When school is dismissed after once open for the day, all extracurricular games, functions, and practices will be canceled.

Severe weather conditions and tornado warnings will be provided to the school over the P.A. system. Staff and students will be alerted. Students do not leave the building, but go to designated areas in the building. Fire drills at regular intervals are required by law and are an important safety precaution. Please use prescribed routes, as quickly as possible. Silence must be maintained in a fire drill so that verbal directions, which may be necessary, can be heard. Walk away from the building to a distance of about 50 feet. Regular safety drills will be practiced, including lockdowns with possible canine search.

## **Transportation**

### **School Bus Policy**

Bus transportation is provided for qualified students to and from school. Bus transportation is also provided for road games, field trips, team participation, and other school activities. The following expectations will ensure a safe experience for all involved:

1. Be on time.
2. Stay well off the road while waiting for the bus.
3. No misbehavior will be tolerated.
