Summer School 2018**

Course Catalog

Middle/High School Summer School Courses

Students entering grades 6-12 in fall 2018

Class sizes are limited – get your registration in early!

- Students registering for MS/HS summer school must be at summer school from 8:00a.m. – 12:30 p.m.
- All MS and HS summer school classes will be in the High School.
- Students should enter through the High School commons (west side)
- Classes are 1, 2, or 4 hours in length

Woodworking

June or July
2 hour class

This course is designed to introduce students to general woodworking practices. Students will expand their knowledge and experience through various projects, lessons, and vocabulary. Students will be expected to learn about and safely use hand tools, power tools, and woodworking machinery. The projects are designed to give students as much experience as possible by using many different machines and tools. Students will be able to build selected and pre selected projects including but not limited to birdhouses, benches, shelves, toys.

Clay Creations

June or July
1 or 2 hour class (depending on other electives chosen)

ENJOY EVERY DAY this summer making really cool stuff! You can make amazing one of a kind creative projects out of clay in both hand built and wheel thrown projects. Learn how to throw pots on the wheel, and use creative glazing techniques to complete beautiful, colorful works of art that will last forever...make a mug or coffee cup, a vase, bowls, or a container for storing something special.

Art Studio

June or July
1 or 2 hour class (depending on other electives chosen)

Come enjoy yourself every day. Make wonderful art projects you are proud of. Be part of an enthusiastic excited creative environment in the art room and expand your horizons in art and creativity. Explore a wide variety of art mediums and techniques such as drawing, painting, and printmaking, using pencil, color pencil, pen & ink, acrylic and water color paints, pastels, markers, and more...Student projects may be inspired by viewing ideas from pinterest and other on line art sites using ipads. Many of these Works of Art will be on display at the Ashley for the Arts -Youth Art shelter in August.

Things that Move

June or July
2 hour class

Critical thinking, innovating and problem solving. Combine science and technology, engineering and math into your own fun exploration of the world around you with hands-on projects to make things move!

Game Time with Byom

June or July
1 or 2 hour class (depending on other electives chosen)

Are you ready to have some fun and play some games? Play some familiar games and learn some new! From card games to board games to create-your-own games. Combining strategy and problem solving - this class will be a great way to have fun with your friends and learn at the same time!

Do-It-Yourself Inventions

June or July
2 hour class

Do you like to make things? Do you like trying to find the extraordinary in ordinary everyday items? Then this class is for you! Just like on Pinterest, we are going take items that often times don't get the appreciation they deserve and turn them into awesome décor as well as practical things that you can use!

Robotics

June or July
2 hour class

Working in teams, you will design, construct, and program a robot to accomplish a particular objective. Along the way, you will be exposed to principles of design, engineering, electronics, and programming. Your team will cooperate and compete with others as you use your creativity to refine the performance of your robots.

School District of Arcadia Summer School 2018

Sizzlin' Summer Science

June or July
2 hour class

Physics, chemistry, STEM challenges, Life Science and more! We will dive into different types of science. Learning will take place through discovery, team-building, crafts, experiments, scavenger hunts, and nature walks.

Community Garden & Plant Science

June
1 hour class

Help grow food for the school and food pantries in our area. We will prepare a garden and plant vegetables in our community garden. Learn about growing plants for nutrition. We will taste various fruits and vegetables. Grow and take home a plant for your family.

You are what you Eat: Nutrition and Food Prep

June
2 hour class

Ever wonder where that food on your plate came from? Or what that food does once it goes in you? Explore good nutrition and put your skills to work preparing a variety of foods.

Into the Outdoors

June
4 hour class

Have fun while learning about and experiencing the outdoors. Potential activities include fishing, canoeing, hiking, and more.

Freshman Science & English Starter

June or July
4 hour class

Who? Students entering grade 9

Students who wish to get a head start on Freshman Science and English I with this introductory course.

Swimming Lessons

June or July
1 hour class

For safety reasons the pool cannot accommodate all students for swimming lessons during both June and July. Students will be limited to either June OR July for swimming lessons, not both. Students will be notified of their schedule before the first day of summer school.

Books to Movies

June or July
2 hour class

Do you ever wonder where movies find their inspirations? It's from books of course! Each year, books are transformed onto the big screen! But what stays the same? What changes? Is the movie better, or the book? In this course, we will enjoy several great pieces of literature that have been transformed into major motion pictures. We will sit back and relax as we enjoy the words of some amazing authors, while focusing on important reading elements such as characters, setting, internal and external conflicts, as well as focus on our comprehension, vocabulary, and fluency. After reading, discussing, analyzing, and interpreting the books, we will then enjoy the movie! We will look for similarities and differences, as well as the overall theme. So sit back, relax, and get ready to READ!!!

MS Skills Recovery

When? June and July

Who? By invite only; Students entering grades 6-9

Students finishing required skills recovery will be able to take elective summer school courses.

HS Course Recovery

When? June and July

Who? By invite only; Students entering grades 10-12

Students finishing required course recovery will be able to take elective summer school courses.

Other Summer Programs

Parents must provide transportation

- Students do not need to sign up for all of summer school in order to participate in these programs. However, the number of students is limited, so sign up now.

Pizza and a Play

Mrs. Sommerfeldt will contact interested students with dates and times!

Students will travel to Winona to watch two professional plays by the Great River Shakespeare Festival and to eat some pizza. Play tickets and transportation are provided; money will be needed for pizza. Students may sign up for one or more performances.

Run 4 Fun

*When? July 30-August 2, August 6-9
8:00am – 9:30*

Where? High School Track

Who? Students entering grades 5-8

COME ONE, COME ALL TO THE 4TH ANNUAL RUN 4 FUN RUNNING CAMP! We are excited to have all running levels from beginners to the pros! Plenty of fun, friends, and challenges to see where you are starting out and the potential we all have! Final "optional" run will be at Ashley for the Arts Miracle Mile & 5K.

P.S. This is a great time of the summer to get in shape for your chosen fall sport, too, or just to have fun, be with friends and live life better:-)

More Swimming Lessons

*When? July 23-August 3 Monday-Friday
August 6 – 17 Monday-Friday*

The School District of Arcadia offers the American Red Cross Swimming and Water Safety Courses. Our fully qualified instructors will take you through all the stages of swimming development in planned lessons. We want every child's swimming instruction experience to be positive and fun filled.

Gymnastics

Registration. Fill out the "MS/HS Registration" form for summer school, which includes a permission slip and waiver for gymnastics.

*When? June 11-22 & July 9-20 4:00pm-5:00pm
Students entering grades 6-9*

Where will the classes take place? Classes will take place at the high school gymnastics area on the 2nd floor. Please enter through the HS Commons and come up to the 2nd floor to pick up your child.

Do I need to buy any special clothes for gymnastics? No. While leotards are ideal, they are by no means required. Gymnasts should simply wear comfortable shorts and a t-shirt or tank top that can be tucked in. Please bring a hair band for long hair.

**School District of Arcadia
Summer School 2018**

STEM Summer Camp

*When? July 30-August 3
August 6-10
Monday-Thursday beginning at 8:00 a.m.
Classes will be 3-4 hours in length*

*Who? Students entering grades 5-10
Interested students will be contacted with more
information.*

Where? High School

Are you seeking an experience this summer that provides you with the opportunity to explore, design and to use your creative individuality. If so, then Arcadia School District has the perfect summer experience for you.

Introducing “STEM Summer Camp”, where Arcadia School District will host a 24-day summer camp that focuses on the areas of Science, Technology, Engineering and Mathematics. Students will learn about the importance of STEM, why it is needed in our world and how it is implemented within companies such as Ashley Furniture.

Take your innovative side to the next level and join us this summer. This experience is one that you don’t want to miss!
